Sanchez Art Werk in Asia

January 2009

Sanchez Art Werk is proud to announce the successful involvement in the group show at the Shilpanjan Gallery Dhaka Bangladesh.

Die erste Ausstellung in Asien - Jonathan Sanchez stellte in Bangladesch aus!

Wrapping up a record year, I managed to put in one last show through the generous support and contact of Rob Dewan. As mentioned in the London wrap up I met Rob at the Islington art fair. He suggested we get together and do another show as a group of artists. One idea was a show in London which might happen. The other suggestion was to use his connections in his native country of Bangladesh and do a show there. Inspired by one of the artist in London that did a show of tiny works to be viewed with magnifying glass each of the artists involved shipped out tiny works for the International Group Exhibit show at the Shilpanjan Gallery Dhaka, Bangladesh, 10 - 17 November 2008.

Ein Rekordjahr! Im letzten Moment konnte ich noch eine weitere Ausstellung in 2008 realisieren. Rob Dewan - den ich in London während des Islington Art Fair kennen gelernt habe - organisierte für mich eine Show in seinem Heimatland Bangladesch. Zwei meiner kleineren Werke waren also vom 10 - 17 November 2008 an der internationalen Gruppenausstellung in der Shilpanjan Gallery in Dhaka zu sehen.

As the photos reveal it was very well attended and by all accounts a success.

That adds another country to the Sanchez Art Werk list (USA, England, Macedonia, and Switzerland, to be exact) and our first foray into Asia. Many thanks to the tireless efforts and enthusiasm of Rob Dewan-Syed www.Dewan-syedbros.com. Check out his website and works.

Best wishes for the new year!
